WEEK 5 (19 - 24 Sept 2022):

On September 19th, we will be presenting our proposed solution document, which includes the following:

the quality of being new, original, or unusual things, the feasibility of ideas, business model, social impact, scalability of solution, etc. We have developed our proposed solution with ideation, problem statement, uniqueness, and customer satisfaction in mind.

Our team has attended the technology training as per the training as per the training calendar. And we have submitted our proposed solution in the prescribed format template on Github.

And in the following training session, they have posted the quiz-2 and we have attended it. They have assigned the assignment 2 and it has to be submitted on Github by individual members of our team.
